

NOTICE TO BIDDERS

TO:

May 8, 2020

Maunakea Observatories is soliciting quotations for a three (3) year contract for water deliveries to Mauna Kea.

A copy of the Request for Quote #10236-001 Potable Water Hauling to Maunakea Mid-Level Facilities and Summit is available on the website: <https://mkss.ifa.hawaii.edu>

Or at: Maunakea Observatories Support Services
177 Maka'ala St
Hilo, HI 96720
Phone: 808-974-4205
Fax: 808-974-4215

Address, if submitting by email: To MKSS General Manager, Stewart Hunter:
mkssadmnhawaii.edu

Closing Date for Receipt of Quotes

Completed Quotes must be received no later than 3:00 PM (Hawaii Standard Time), **June 10, 2020** at the address above. Email or mailed submissions will be accepted, or faxed. It is the Bidder's responsibility to ensure confirmation of quote receipt prior to the Closing Date for Receipt of Quotes. Quotes received after the time and date fixed for submittal will not be considered. Opening of quotes will not be done in public.

Selection will be based on cost and the ability of the CONTRACTOR to handle the particular demands involved in this service. Any questions should be in writing and emailed or faxed to Stewart Hunter, General Manager, at the Maunakea Observatories Support Services. Answers to submitted questions will be distributed to all prospective contract service providers.

Direct all questions to Stewart Hunter: ph: (808) 974-4205 eshunter@hawaii.edu

Project is intended to be awarded on or about July 1, 2020. Water Hauls to start August 1, 2020 to June 30, 2023. Only one hauler will be selected for both Halepohaku and Summit Hauls.

A Service Agreement will be issued by The Research Corporation of the University of Hawaii (RCUH) to the winning bidder.
